Creative & Cultural Skills gives young people opportunities to work and learn in the creative industries. We want to ensure that employers benefit from a skilled generation of talent and continue on a course of economic growth. Our network of industry and education supporters – the National Skills Academy for Creative & Cultural – is open to those who are committed to the provision of high quality creative education and training, apprenticeships and careers advice. Together we've created over 4,000 Creative Apprenticeships in the UK since 2008.

Creative & Cultural Skills is the National Provider for the Creative Employment Programme. Visit www.ccskills.org.uk for more information.
